In accordance with the Church of England Safeguarding Policy, our church is committed to:

- promoting a safer environment and culture
- safely recruiting and supporting all those with any responsibility related to children, young people and vulnerable adults within the church
- responding promptly to every safeguarding concern or allegation
- caring pastorally for victims/survivors of abuse and other affected persons
- caring pastorally for those who are the subject of concerns or allegations of abuse and other affected persons
- responding to those who may pose a present risk to others.

The parish will:

- create a safe and caring place for all
- have a named Parish Safeguarding Officer (PSO) to work with the Incumbent and the PCC to implement policy and procedures
- safely recruit, train and support all those with any responsibility for children, young people and adults to have the confidence and skills to recognise and respond to abuse
- ensure that there is appropriate insurance cover for all activities involving children and adults undertaken in the name of the parish
- display on church premises and on the parish website the details of whom to contact with safeguarding concerns or support needs
- listen to and take seriously all those who disclose abuse
- take steps to protect children and adults when a safeguarding concern of any kind arises, following House of Bishops' guidance, including immediately notifying the Diocesan Safeguarding Adviser (DSA) and statutory agencies
- offer support to victims/survivors of abuse regardless of the type of abuse, when or where it occurred
- care for and monitor any member of the church community who may pose a risk to children and adults whilst maintaining appropriate confidentiality and the safety of all parties
- ensure that health and safety policy, procedures and risk assessments are in place and that these are reviewed annually
